LRA Sponsors Hanging Baskets in Laleham

Once again, the LRA has sponsored 24 hanging baskets throughout Laleham this year, made possible by Spelthorne in Bloom. The baskets were amazing last year, and we look forward to seeing them up again towards the end of May / beginning of June. Please help us with the funding by making a donation via our website.

Laleham Open Gardens Day 2025 – postponed until 2026

The LRA has been exploring the possibility of holding a “Village Open Gardens Day” this summer. Such events were held for many years in June / July up until 2019 and proved to be very popular. We hope to rekindle this tradition. Regrettably, although several local residents were willing to open their gardens this summer, there was not enough support to make the event viable. The LRA will gauge the interest for an event in 2026 so please let us know if you would like to take part.

Roadworks in Laleham

Surrey Highways have updated the information on the roadworks in Laleham on the **Causeway One Network** to show revised dates for certain works. The information provided advises road closures as being both ‘all the time’ and ‘likely only 3 consecutive nights.’ A detour is proposed to correspond with the closure. LRA will update members via e-mail and social media. Local businesses continue to be adversely affected and Laleham residents are encouraged to support your local shops.

Social Media, Instagram and Facebook

Laleham Residents Facebook page currently has 5,300 members which makes it a great place to share local information with Laleham residents. We noticed that the page was always flooded with business advertisements, so recently we have restricted these to appear only on Mondays, like many other local groups. We hope that this will make the space much more user-friendly and allow to find information about Laleham more easily. We have created an Instagram account for Laleham Residents Association: [lra_lalehamresidents](https://www.instagram.com/lra_lalehamresidents)
